Github: <https://github.com/andyosuna>

Twitter: <https://twitter.com/andiosuna>

## Education

*well, college.*

**Platt College** (San Diego, CA)

2011-2013

Bachelor of Science in Media Arts:  
Web Design and Development.

2010-2011

Associate of Applied Science:  
Graphic Design.

## Software

*things I use.*

Python, PHP, JavaScript, HTML, CSS,  
Django, Angular, Bootstrap, Sublime Text,  
Git, Sass, Terminal.

## Peculiarities

*I try.*

I brought [\*Django Girls\*](#) to Mexico.

Learning and problem solving is what I love most of what I do.

Clean code makes me happy.

I am a U.S. Citizen but Spanish is my native language.

As a kid I wanted to be a paleontologist.

I am a DSF board member.

## Experience

*where I've been lately.*

**MediExcel Health Plan** (Tijuana, B.C.)

<http://mediexcel.com>

2015-Present

Django Developer.

Working with Django to create an administrative system for the dental department of Excel Hospital.

Maintaining the existing system for MediExcel and creating new apps to support the company's needs.

**G4 Design House** (San Diego, CA)

<http://g4designhouse.com>

2014

Front End Developer.

Created responsive Wordpress sites from mockups, customized premium themes to match mockups and maintained existing sites.

**Morton Auction House** (Mexico City, D.F.)

<http://mortonsubastas.com>

2014-2015

Web Designer and Developer.

Designed their website to comply to current market trends, keeping their corporate image.

Developed the site responsive while thinking of the current and prospect clients' demographics.
